

DAMON THOMAS

WEB & GRAPHIC DESIGN

P: 714.655.4008

E: dthomas.designer@gmail.com

W: damonthomasdesigner.com

EDUCATION:

Art Institute of Portland - Bachelor of Science, Interactive Media Design
Orange Coast College - Associate of Arts, Fine Art / Design

DESIGN EXPERIENCE:

2016 - 2017: Mopro - Enterprise Website Builder

- Designed and maintained custom websites for Mopro's high-profile clients such as Skechers, Compass Realty, Wetzel's Pretzels, Specialty Restaurants Group, and others.
- These sites were built using Mopro's proprietary CMS, and enhanced using CSS and JavaScript.

2015 - 2016: Freelance Design

- I had the pleasure of working with clients such as MesoScribe Technologies, 360 Media, and Rotary.
- Designed and executed responsive web sites using WordPress, HTML5, CSS3, and Sass.
- Designed print marketing materials such as trade show booth displays, flyers, and promotional items.

2013 - 2015: IDG Advertising - Front End Web Developer / Graphic Designer

- Designed and maintained custom WordPress and HTML web sites for clients such as Synthetic Grass Warehouse, POP Paddleboards, Grizzly Turf, and others.
- Designed logos, advertisements, product packaging and labels, large format banners, vehicle wraps, trade show displays, and print marketing materials.

2012 - 2013: Serious Pimp / Brookstone Law - Web / Graphic Designer

- Designed and maintained custom WordPress, Joomla, and OpenCart web sites such as Brookstone Law, SP Records, Serious Pimp Apparel, and more.
- Designed logos, web graphics, stickers, product concepts
- Edited photos, video, and audio.

2008 - 2013: Freelance Design

- I had the pleasure of working with clients such as Shelton Law Firm, Mattress World, Cyan Landscapes, Marketing Concept Group, Virginia Garcia Memorial Heath Center, Oregon Zoo, and Oregon Alliance for Arts Education.

- Bootstrap
- Sass
- Drupal
- Joomla
- OpenCart
- MS Office
- Mac
- PC

ABOUT ME:

My name is Damon, and I do web and graphic design. I have made web sites, logos, print media, illustration, animation, games, video and audio editing, and even shot and directed my own short film.

I am passionate about modern design, and am inspired by new experiences, sights, and sounds. I enjoy woodworking, nature hikes, walks on the beach, record collecting, and bad jokes.
